**CLAIMANT – KHOI NGUYEN**  
**CLAIM #**

Dear Mr. Brooks:

There has been no response to my letter of October 23, 2008 other than your superiors are re viewing the matter. I hope you showed to them the photos of this little boy. This claim was approved on or about September 30, 2008. I ask, what takes over two months to review? I have on numerous occasions indicated that I will provide any additional information that is necessary to proceed with this claim and respect the rights of the victim and his family.

With each day, this family continues to be re-victimized by the VCCA, the state agency whose sole purpose is to help them.

Yesterday the assailant plead guilty in Superior Court to second degree aggravated assault. Your superiors may wish to read the news accounts. They can be found at:

<http://www.dailyrecord.com/article/20081205/COMMUNITIES34/812050342&referrer=FRONTPAGECAROUSEL>

and

<http://www.nj.com/news/ledger/jersey/index.ssf?/base/news-12/1228455450107800.xml&coll=1>.

They also should see the anguish on the part of the victim's father who was forced to leave his job in order to provide round the clock care for his son.

This claim was filed with the VCCA in April of this year. As you know, this claim should have been paid immediately.

Please once again bring this matter to the attention to your superiors and remind them of the terrible plight of this victim and his family.

Thank you.

Yours very truly,

Richard D. Pompelio  
Executive Director
